Prayer & Praises:

- **PRAISE:** Mati, a farmer in Benin, says, "Watching the JESUS film was something to do in the evening after working in the fields all day. I did not realize what Jesus could mean to me. One night, I had a dream where a voice told me 'You are a child of God. I will build nations through you.' I accepted Christ into my heart and life on the last night the film was shown in our village. I now am the hands and feet of Jesus in our village." Thank God for Mati's new belief in God; also, pray for Mati as he shares his faith with the village
- **REQUEST:** Retired missionary Doris Anderson suffered a heart attack on 19 October 2017 and was transferred to hospice care on 30 October. Please pray for Doris and her family, that they will sense the Lord's strength in the coming days. Doris and her late husband, John, served as Nazarene missionaries in India for 32 years.
