Praises & Requests:

- **PRAISE:** The Panama Central District held a medical outreach in several communities in February with help from volunteers from the district and from a church in the US. The medical professionals attended the needs of 500 people, and volunteers shared the gospel with them. Give thanks for people who are willing to help in initiatives like this, whether near their homes or far away, and pray for those who heard the gospel, that those seeds would take root and flourish in their spiritual lives.
- **REQUEST:** Please pray for Shirley Greene, missionary to Tonga, who was recently wounded in a dog attack. Shirley is recuperating in New Zealand and is grateful for prayer. Shirley and her husband, Bill, have been serving on a short-term mission assignment at The Mango Tree Centre. The Greenes hope to return to The Mango Tree Centre soon. The Centre ministers in Christ's name to handicapped and disabled children and their families.
- **REQUEST:** Prayer is requested for Eunice Brubaker, former NMI global president, who is facing diagnoses that require God's healing touch. Simply pray for Eunice's health and well-being and that God's grace and the Spirit's presence will be very real in the days ahead.
- **Josh and Shannon Herndon, serving in Romania**
PRAISE: The Herndons are now serving in Romania, and it has quickly become home for all of them, especially the children. Josh and Shannon feel accepted as members of the missionary and pastoral team, and have been embraced by the national church in Romania.
REQUEST: Pray that the Herndons would continue to build relationships with people in the community.
REQUEST: Pray that Shannon and Josh would thrive in their new roles (Josh as district superintendent beginning in November, and Shannon as Compassionate Ministries facilitator in Romania).
REQUEST: Pray for the teams that are scheduled to serve in Romania in the next 12 months.
REQUEST: Pray for the vision of church planting in the Herndons' city of Brasov, Romania.
- *Please keep the General Superintendents in your prayers as they minister in various locations across the globe this month.*
