Praises & Requests:

- **PRAISE:** Since the early 1990s, nearly 20,000 Chin have settled in the southern area of Indianapolis, Indiana, USA. These refugees fled persecution in Chin State in Myanmar. Indianapolis Southside Church of the Nazarene invited a Chin congregation to meet in their facility, and both congregations have grown close. A number of people in the Chin community expressed a desire for formal biblical and pastoral training. Plans for an extension center in Indianapolis were drawn up by leaders at Southeast Asia Nazarene Bible College (SEANBC) in Bangkok, Thailand, providing courses for pastors. Students view online lectures (in Burmese) individually, then meet collectively once a week. The Bible school is open to all Chin church leaders, whether they are within the Nazarene denomination or not. Southside Pastor Ray McCrary said, “Our congregation has gained an outward focus we did not have before. This has influenced the way we think about immigrants and their needs....I praise God for giving us this privilege of getting to know our neighbors and serving our changing community.”
- Klaus and Martina Arnold, serving in Germany
 - PRAISE:** In the last school year, the Church of the Nazarene has opened two new learning centres—one in Croatia and an English language online learning centre. The Arnolds are thankful for these opportunities and request prayer as they recruit students and as Klaus and Martina help the students fulfill their call to serve God and the Church.
 - REQUEST:** Klaus and Martina are working closely with the France District to re-open the Nazarene learning centre. Please, pray that the process will be smooth.
 - REQUEST:** Conversations are taking place with the leadership of the Arabic Nazarene Bible College (serving the Eastern Mediterranean Field) regarding the provision of online education in Arabic—not only for that field, but for Arabic-speaking students throughout the world. Please, pray for God’s guidance in the important preliminary meetings and for the work that will follow to accomplish this goal.
- Casse Donaldson, serving in Portugal
 - REQUEST:** Pray that God would continue to prepare Casse for the work that she is joining in Portugal.
 - REQUEST:** Please pray for the coffee house patrons, that they will sense God’s presence in those who work at the coffee house and desire a personal relationship with Christ. Pray that the community will feel comfortable to gather at the coffee house and build strong friendships that can have eternal consequences.
 - REQUEST:** Please also pray as Casse adjusts to life in Portugal, and for God to help her since she does not know the language.

Thank you for praying
